

CLOAK Values means...

OUR EMERGING VISION

Connect Inspire Soar

To empower our people to be connected, collaborative, community minded learners inspired to soar.

What does it look like: Criteria for staff judgments.

Challenge our Mindset means...being positive about taking risks by trying something out of your comfort zone to improve yourself.

1. Students try difficult things in order to get better at them
2. Students strive to be the best they can be
3. Students move outside their comfort zone
4. Students persevere (and consider other perspectives in the learning process)
5. Students take risks in learning

Learning is connected means...we build on what we know by learning collaboratively in a range of contexts from a range of people. We carry the skills and knowledge with us to build on and share throughout our lives. Learning does not start and stop in the classroom.

1. Students work collaboratively
2. Students learn with others
3. Students articulate how their learning is relevant to their lives
4. Students articulate and identify a progression of where they have come from
5. Students connect learning across modules/advisory/ILT/Impact projects

Ourselves as learners means...we are responsible for our own learning. This includes our: attitude towards tasks, engagement and effort, contribution and completion

1. Students recognise their weaknesses and strive to overcome them
2. Students are proactive with seeking feedback and support from others
3. Students value mana motuhake-high expectations always
4. Students are aware of their strengths and learning styles/ways we like to learn

	5. Students are part of learning : students help others and others help us
Ako always means ...being open to learning from all experiences. Reciprocity where we can teach others and learn from others through our actions.	<ol style="list-style-type: none"> 1. Students contribute during group work 2. Students actively listen to others 3. Students ask questions and inquire to find more 4. Students seek feedback and feedforward in order to improve, and offer to others 5. Students value others knowledge and experience
Kindness and respect means ...being caring, considerate, polite and valuing others, offering support. Being prepared for learning.	<ol style="list-style-type: none"> 1. Students are part of creating a tidy safe environment 2. Students are compassionate 3. Students show good manners 4. Students actively listen 5. Students care for self and others and the environment

4 = Always - 100%

3 = Mostly - 80%

2 = Sometimes - 50%

1 = Rarely - 20%
